And receive Doctors degree in Scinetific speciality “Machine and Equipment in Forestry economy , wood production , Woodworking and Furniture Industry” In period 2014-2017 is magister –engineer . in Technical University- Sofia of Mechanics and Machine Construction in field of “Computer Design in Machine-building, machinery construction and Technology

2. Correspondence of the submitted documents and materials of the applicant according to the Rules of the Development of academic staff at the University of Forestry.

The submitted documents and materials correspondence of the applicant according to the Rules of the Development of academic staff at the University of Forestry-Sofia

3. Assessment of the candidate's educational and pedagogical activities (work with students and PhD students)

The educational and pedagogical activities and work with students of candidate-senior assistant dr. eng. Valenjin Atanasov is very good.

4. Assessment of candidate's scientific, scientific-applied and publishing activities

General description of the presented materials

Candidate as.dr. eng.Valentin Atanasov participated in the competition with:

- Monographs – 1 number (s);
- Textbooks - ... number (s);
- Learning materials - ... number (s);
- Books - 1 number (s);
- Publications - 35 number (s).
- Projects – 8 numbers (s).
-
- 4.1 Participation in scientific, scientific-applied and educational projects

The candidate to take on academic position “Dozent” (associate professor)

Dr eng. Valentin Atanasov Atanasov have 8 (eight) participate in project ,within: 1 (one) participate in Scientific –research, finance from University of Forestry- Sofia; 1 (one) participate in infrastructure projects and 6 (six) participate into scientific-apply project , finance from educational –testing farm (UOGS) Of University of Forestry -Sofia

4.2 Characterization of published scientific results

The published scientific results are scientific, scientific-applied and educational project

4.3 Reflection of Candidate's Scientific Publications in Literature (known citations)

- Total - 27 citations.
By type of citations:
- In reference journals and proceedings of scientific forums - 13 citations;
- In teaching aids, monographs, dissertations, etc. - 3 citations.

4.4 Contributions to the candidate's work (scientific, scientific-applied, applied)

The contributions to the candidate's work are reach into following direction:

I- Force-energetic parameters of mashin for frezine and kinematik and it influence on

construction of basic work system

Scientific contribution are 4 (fourth)

II. Kinematik of mashin for frezine ang kinematic design

Scientific contribution are: 2 (two)

Scientific contribution are: 3 (three)

III. Dinamic of mashin for frezink

Scientific-applied contribution are : 1 (one)

Applied contributions are : 7 (seven)

IV. Investigation whith anader mashine vor working of wood

Scientific-applied contribution are : 1 (one)

Applied contributions are : 9 (nine)

5. Assessment of the applicamt's personal candidate

The candidate to take on academic position "Dozent" (associate professor)

Dr.eng. Valentin Atanasov Atanasov have 4 (four) seif-dependent publication

In 6 (six) publication is the first author He have one books (monografia).

6. Critical remarks

No critical remarks

7. Personal impressions

Dr.eng. Valentin Atanasov Atanasov is hard-working men as in study so and research-investigating work. He now very good English lenuich (tongue)

8. Conclusion

Im connection with the above, I propose that as. dr.eng. Valentin Atanasov Atanasov be elected as „Associate Professor“ (Docent) in the discipline "Wood-workinng machie"... in the University of Forestry - Sofia...in scientific specialty: 6.5: Forest Science: "Mashine and equipment for wood-production, forest economy , woodworking and furniture industry.
