Assoc. Prof. Eng. Plamen Tsankov, (Technical University–Gabrovo, Bulgaria)
Assoc. Prof. Eng. Petar Antov, (University of Forestry, Bulgaria)
Assoc. Prof. Eng. Neno Trichkov, PhD (University of Forestry, Bulgaria)
Assoc. Prof. Vjekoslav Živković, PhD (University of Zagreb, Croatia)
Nadir Yildirim, PhD (Hamad Bin Khalifa University, Doha, Qatar)

Eleventh International Scientific and Technical Conference

INNOVATIONS 2022 IN FOREST INDUSTRY AND ENGINEERING DESIGN

PUBLISHING of the papers

Each participant has the right to submit two papers (individually or as a co-author). All papers sent by **1 July 2022** will be published in the Conference Proceedings.

Each participant in the Conference has the right to another different publication in the Scientific Journal of Innovations in Woodworking Industry and Engineering Design, without publication fee, observing the general conditions for publishing in this journal.

When authors state in writing that they would like the paper presented at the Conference to be published in the Scientific Journal of Innovations in Woodworking Industry and Engineering Design after receiving two positive reviews, the Conference Proceedings will include an extended abstract of this paper.

<http://www.scjournal-inno.com/>

MAIN GOAL

The main goal of the conference is to create an environment for the exchange of scientific information, sharing good practices and establishing personal contacts between researchers, experts and business representatives working in the field of woodworking, the production and design of furniture and wood products.
